

Journal of Systematics and Evolution (formerly Acta Phytotaxonomica Sinica)

Copyright Transfer Agreement

Before publication of the materials submitted by the author(s) in the *Journal of Systematics and Evolution (JSE)*, the author(s) hereby assign copyright ownership to *The Editorial Office of Journal of Systematics and Evolution* of:

Manuscript No.: _____

Title: _____

Authors: _____

In submitting material to *JSE*, authors warrant that the submitted material is an original work not published elsewhere, that the copyright ownership has not been assigned, licensed, or otherwise transferred to another party, and that permissions have been obtained and are attached for any portions of the material to be published subject to another copyright. The author(s) shall indemnify the *JSE* and its publisher against any and all claims arising out of those warranties.

This assignment is subject to reservation by the authors of the following rights:

- Authors reserve all proprietary rights, other than copyright, such as patent rights.
- Authors reserve the right, after publication of the material in the *JSE*, to use all or part of the material in compilations or other publications of the authors' own works.
- Authors also reserve the right to make copies of all or part of the material for purposes such as criticism, comment, news reporting, teaching, scholarship, or research.
- Authors reserve the right to post preprints or the actual published text on personal or departmental webpages.

This assignment is made with the following understanding:

- All the submitted materials are subject to peer review, a process that is the responsibility of the editors.
- The authors agree that, if the work is accepted for publication, they will transfer the copyright in it exclusively to *JSE*, including the right of reproduction in all forms and media, whether now known or hereafter developed, and the right to include it in collections and databases.

If any author's signature does not appear below, the signing authors represent and warrant that the nonsigning authors consent to this agreement and that the copyright assignment is made on behalf of all of the authors.
